

Giving from the heart. . .through **Hart to Heart**

Charity is among Masonic virtues and obligations. Our commitment is demonstrated by the \$2 million given by Masons in the U.S. every day to charitable causes, along with countless hours of volunteer service.

In Kentucky, Masons live the obligation by maintaining the Masonic Homes of Kentucky. Since the Homes were established in 1867, thousands of Masons, their widows, their children and others have received the care they needed to survive and the hope to help them live their lives.

This year, Most Worshipful Grand Master Patton R. Hart has asked Masons to join him in ensuring that those who rely on the Homes continue to receive the best care available. The **Hart to Heart** program is a special opportunity to share our financial blessings so the Masonic Homes of Kentucky may continue fulfilling its mission of providing quality and compassionate services, health care and housing for seniors.

Gifts to the Homes, in any amount, are always gratefully appreciated. Grand Master Hart offers givers of \$25 or more a commemorative **Hart to Heart** pin.

The Homes have a special place in the hearts of all Kentucky Masons. By making a gift to the Homes through **Hart to Heart**, you'll ensure that the legacy began by Kentucky Masons nearly 140 years ago will continue into the future. And, your commitment will be evident when you wear the **Hart to Heart** pin.

YES! I want to give from my heart through **Hart to Heart, and make a difference in the lives of those who rely on the Masonic Homes of Kentucky.**
