

To the Family of \_\_\_\_\_,

The three great tenets of a Mason's profession are Brotherly Love, Relief, and Truth.

Of these three, to relieve the distressed is a duty incumbent upon all men, but particularly on Masons, who profess to be linked together by an indissoluble chain of sincere affection. To soothe the unhappy, to sympathize with their misfortunes, to compassionate their miseries, and to restore peace to their trouble minds, is the great aim we have in view.

It is the duty and obligation of every true Mason to contribute to the relief of a deceased Brother's widow now and in the future days to come. You and your family have been assigned a Mason who will, to the best of his ability, fulfill this obligation until he too, is called to that "undiscovered country".

Should your primary contact be unavailable, we have included below, several contact names and numbers for you to use should you need financial, emotional, or physical aid and assistance on any level. In the event that we are unable to provide such support, we will endeavor, to the utmost of our abilities, to seek out such relief as is necessary to meet your needs.

To this end, the Master, Wardens, and Brethren of \_\_\_\_\_ #\_\_\_\_, Free and Accepted Masons extend our arms of love and affection to comfort and protect you and your family in this dark hour.

Fraternally,

\_\_\_\_\_, Master
